Havaianas by Pepe Jeans London The best way to see London is by foot, so what better collaboration could there be for Pepe Jeans London this spring/summer 2015 than with Havaianas flip-flops? Inspired by the English capital, come two unisex designs that riff on London's landmarks and what it means to be British. Step forward the Union Jack (the first time it's been used in a Havaianas design) in both a classic red, white and blue look and another, this time for ladies, with roses blooming gracefully across it, and of course tube stations - the old Strand one features here. Available in Pepe Jeans London stores, online at www.pepejeans.com and selected multi-brand stores from March 2015, you'll be able to slip them on just in time for those first few rays of summer sun. Unisex models: 25.90€ Slim Flowers ladies: 29.90€
