Escaping the fast-paced world and savouring the moment: This is an absolute must from time to time in order to find oneself and be able to accept change, especially in today's globalised, constantly changing world. With its Women's Legwear Collection Autumn/Winter 2019/20, FALKE embarks on an emotional journey through mysticism, spirituality and symbolism. Vibrant and bright colours from the world of spiritualism merge with dark tones inspired by occultism and the supernatural. Inspired by druidism, the collection is rounded off by the natural colours of the wild and rugged nature of Scottish coasts and landscapes.
