European Women's Lobby and ANONYME designers: promoting women's rights and equality together. We at ANONYME designers believe in fashion for a cause; it is not just about designing beautiful clothes, it is about going beyond fashion and standing up for the things that deserve all of our attention and support. With this ideal in mind, we became partners with a Non Profit Organization that is actively working towards women's rights and equality between women and men in all areas of life: the European Women's Lobby. The European Women's Lobby is the largest umbrella organisation of women's associations in the European Union (EU), working to promote women's rights and equality between women and men, and representing a total of more than 2000 organisations. Follow them on Facebook, Flickr and Twitter @EuropeanWomen. Our NGO partner European Women's Lobby launches new campaign video Act against rape to mark the International Day for the Elimination of Violence against women. ... <https://www.youtube.com/watch?v=pSfM-Fbusk> Please feel free to share the video on all your social networks!
