NEW IN! Say hello to the KALAIKA world of economical, safe and ecological solutions. This beautiful handmade Eco Mesh Bag in mint green is great for storage, shopping and even going to the beach you can lay down in it all necessary accessoires. The Eco Mesh Bag is a strong element with huge potential. It is small when folded, that even fits in your palm. You can put it in your car, purse, pocket, and it will not bother you. The string is made of environmentally friendly reusable products, with different applications and a fine substitute for plastic bags and packages. Use the KALAIKA Eco Mesh Bag to buy vegetables or fruits, as well as other products or things.
